BYLAWS OF  
THE CARROLL ELECTRIC MEMBERSHIP CORPORATION

**INTRODUCTION**

This introduction is part of the Bylaws of The Carroll Electric Membership Corporation (the “Cooperative”). In a cooperative, bylaws set forth rules of governance of the cooperative and describe certain rights and obligations between the cooperative and its members. Bylaws constitute a contract between the member and the cooperative.

Throughout these Bylaws, certain words and phrases are used to indicate “defined terms.” A defined term is either set forth in Article XII at the end of these Bylaws (the “Definitions Article”) or, if included within the text, capitalized and enclosed within parentheses and quotation marks following the defined term’s definition when first used. The location at which a definition in this form is used is also provided in the Definitions Article. The defined terms are capitalized when otherwise used in these Bylaws.

**ARTICLE I – MEMBERS**

**SECTION 1.01. Eligibility for Membership.** Any individual or entity (“Person”) with the capacity to enter a legally binding contract with the Cooperative for generation, transmission, distribution, sale, supply or provision of electric power or energy (“Electric Service”) or any other goods or services reasonably related to the provision of Electric Service is eligible to become a Member of the Cooperative.

An Entity includes, but is not limited to, corporations of all types and locations, legally recognizable profit and non-profit unincorporated associations, business trusts, estates, partnerships, limited liability companies, limited liability partnerships, general and limited partnerships, the United States of America, foreign governments, the State of Georgia or any agencies or divisions thereof (collectively, “Entity”).

**SECTION 1.02. Membership Procedures and Requirements.** Unless these Bylaws provide otherwise, or the Board waives same, any eligible Person seeking to become a Member (“Applicant”), or who wishes to remain a Member, must, within a reasonable time of initially using or requesting to use Cooperative’s Electric Service, complete the procedures and comply with the requirements stated in this Bylaw, Section 1.02, to the Cooperative’s reasonable satisfaction (“Membership Procedures and Requirements”).

- (a) Each Applicant or Member must complete and sign a written membership application in form and substance described by the Cooperative from time to time. Such membership application shall include, without limitation, the Member’s agreement to:
  - (1) comply with and be bound by the Cooperative’s Articles of Incorporation, Bylaws, rates, tariffs, Service Rules and Regulations and membership

application and any other reasonable rules and regulations from time to time adopted or amended by the Cooperative, as well as any supplemental or separate contract between the Applicant and the Cooperative (the “Membership Documents”); and

- (2) take Electric Service from the Cooperative and pay for same based on such rates and terms as the Cooperative may from time to time prescribe.
- (b) Each Applicant or Member must:
- (1) pay or make satisfactory arrangement for the payment of any past-due indebtedness owed by the Person to the Cooperative, together with interest as may be due under the Membership Documents;
  - (2) pay or make satisfactory arrangement for the payment of such security deposit, membership fee, contribution-in-aid-of-construction, service connection deposit or any combination of same and such other fees or charges as may be required pursuant to the Membership Documents in effect at the time application is made; and
  - (3) satisfy all other reasonable conditions and requirements established for membership from time to time by the Board of Directors.

**SECTION 1.03. Waiver of Membership Procedures and Requirements.** Should the Cooperative ascertain that it is providing Electric Service to a Person who has not complied with the Membership Procedures and Requirements, the Cooperative may either waive the Membership Procedures and Requirements and accept the Person as a Member, or, upon written request and refusal by the Member to comply with the Membership Procedures and Requirements, terminate Electric Service to the premises of such Person to which Electric Service is provided.

**SECTION 1.04 Exceptions to Membership Procedures and Requirements.** Notwithstanding the foregoing, an eligible Person is automatically a Member of the Cooperative and consents to being a Member upon:

- (a) initially using or requesting to use Electric Service provided by the Cooperative;
- (b) receiving written notice from the Cooperative that Electric Service has been or is to be provided by the Cooperative, which notice further states, in substance:
  - (1) that the Person is automatically a Member and consents to being a Member upon initially using or requesting to use Electric Service provided by the Cooperative; and

- (2) that unless the Person notifies the Cooperative in writing within ten (10) days of the Cooperative providing such notice that such Person does not consent to being a Member.

**SECTION 1.05. Retroactive Membership.** Upon discovery that the Cooperative has been furnishing Electric Service to any Person other than a Member, it may cease furnishing such Electric Service unless such Person applies for membership in the Cooperative and complies with the foregoing Membership Procedures and Requirements or becomes a Member pursuant to Section 1.04. The membership shall be effective retroactively to the date on which such Person first began receiving such Electric Service. The Cooperative, to the extent practicable, shall correct its membership records and all related records accordingly.

**SECTION 1.06. Joint Membership.** A legally married couple may apply for a joint membership or may convert an existing membership held by either to a joint membership, and subject to their compliance with the Membership Procedures and Requirements set forth in Section 1.02 of this Article, may be accepted for membership.

The term “Member” as used in these Bylaws shall be deemed to include a legally married couple holding a joint membership, and any provisions relating to the rights and liabilities of membership shall apply equally with respect to the holders of a joint membership. Without limiting the generality of the foregoing, the following principles shall apply in respect to joint Members:

- (a) Notice to either shall constitute notice to both.
- (b) The presence at a meeting of either or both shall be regarded as the presence of one (1) Member and shall constitute a joint waiver of notice of the meeting.
- (c) A waiver of notice signed by either or both shall constitute a joint waiver.
- (d) The vote of either separately or both jointly shall constitute one (1) joint vote. Should joint Members disagree as to how a vote should be cast, each joint Member shall be entitled to cast a one-half (1/2) vote.
- (e) A consent signed by either or both shall constitute a consent for both.
- (f) Suspension, expulsion or withdrawal of either shall terminate the joint membership and suspension shall suspend the joint membership.
- (g) Either, but not both concurrently, may be a candidate for, elected or appointed as a member of the Board of Directors, PROVIDED that both meet the qualifications of the office.
- (h) Upon the death of either joint Member, membership shall be held solely by the spouse; however, the estate of the deceased shall not be released from any debts due the Cooperative.

**SECTION 1.07. Obligations of Members and Applicants for Membership.** In consideration of the Cooperative providing Electric Service, each Member shall comply with any reasonable requirement of the Cooperative which enhances the Cooperative's ability to provide safe and reliable Electric Service to the Member and other Members and to reduce the cost of same. Without limitation, each Member shall:

- (a) Purchase from the Cooperative, as soon as Electric Service shall be available, all central station electric energy, capacity and electric distribution service purchased for use on or to serve the premises to which Electric Service is provided by the Cooperative at the request of the Member or the Member's agent, unless temporarily prevented from doing so by causes reasonably beyond the control of the Applicant or Member, and pay therefor, including any monthly amount that may be charged without regard to the amount of electric energy and power actually used under terms and at rates provided in the Membership Documents;
- (b) Comply with and be bound by the Membership Documents and any other reasonable rules and regulations from time to time adopted by the Board of Directors;
- (c) Upon request by the Cooperative, execute and deliver to the Cooperative grants of easement or rights-of-way over, on and under lands owned by the Member in accordance with such reasonable terms and conditions as the Cooperative may require for the construction, operation, maintenance or relocation of the Cooperative's facilities, lines and equipment;
- (d) Pay all sums due the Cooperative under the Membership Documents. (When the Member has more than one service connection from the Cooperative, or other indebtedness owed to the Cooperative, any payment by or on behalf of a Member to the Cooperative shall be deemed to be allocated and credited on a pro rata basis to the Member's outstanding accounts for all such service connections or indebtedness, notwithstanding that the Cooperative's actual accounting procedures do not reflect such proration.);
- (e) Have control and total responsibility for all electric wiring, apparatus, equipment and facilities beyond the point where the Cooperative's service wires attach to the Member's service entrance or, if no service entrance exists, the Member's wiring. In this connection, Member shall be responsible for and shall indemnify the Cooperative, its employees, agents and contractors against death, injury, loss or damage resulting from any defect in or improper use or maintenance of the Member's premises, wiring, apparatus, equipment and facilities receiving or utilizing electric energy;
- (f) Make available to the Cooperative a suitable site, as determined by the Cooperative, to place the Cooperative's physical facilities for the furnishing and metering of Electric Service and shall permit the Cooperative's authorized

employees, agents and independent contractors to have access thereto at all reasonable times safely and without interference from hostile dogs or any other hostile source, for meter reading, bill collecting and for inspection, maintenance, replacement, relocation, repair or disconnection of such facilities; and

- (g) Be the Cooperative's bailee of such facilities and shall accordingly desist from interfering with, impairing the operation of or causing damage to such facilities, and shall use his best efforts to prevent others from so doing. In the event such facilities are interfered with, impaired in their operation or damaged by the Member, or by any other Person when the Member's reasonable care and surveillance should have prevented such, the Member shall indemnify the Cooperative and its employees, agents and contractors against death, injury, loss or damage resulting therefrom, including but not limited to, the Cooperative's cost of repairing, replacing or relocating any such facilities and its loss, if any, of revenues resulting from the failure or defective functioning of its metering equipment.

**SECTION 1.08. Suspension of Membership and Reinstatement of Membership.**

Upon the failure of a Member to pay for Electric Service within the time required, or upon the Member's failure to comply with the Member's obligations set forth in the Membership Documents, which failure results in the Cooperative's termination of Electric Service to the Member's premises, the membership rights of the Member shall be suspended for a period of sixty (60) days from the date that the Electric Service was terminated. If the Member, within the sixty (60) day period, shall pay all sums required by the Cooperative's Membership Documents and shall satisfactorily rectify any other non-compliance with the Membership Documents, and the Cooperative reinstates Electric Service to the premises of the Member, the membership rights shall be automatically reinstated.

Other than the right to receive retired and refunded Capital Credits, and other than rights upon the Cooperative's dissolution, a suspended Member forfeits and relinquishes all rights provided in the Membership Documents. In particular, a suspended Member forfeits and relinquishes any voting rights provided by law, the Articles of Incorporation or these Bylaws. A suspended Member, however, remains subject to all obligations imposed by the Membership Documents.

**SECTION 1.09. Withdrawal.** Any Member may withdraw from membership upon payment in full of all debts, liabilities and obligations of the Member to the Cooperative and in compliance with such other terms and conditions as the Board of Directors may prescribe.

**SECTION 1.10. Termination of Membership.** A Member will be deemed to have withdrawn and terminated his membership in the Cooperative upon the Board of Directors' adopting a resolution terminating the membership following the occurrence of any one of the following:

- (a) A voluntary withdrawal from membership by a Member as provided in Section 1.09 of this article.

- (b) The death or cessation of existence of Member.
- (c) A Member who shall fail to reinstate a membership suspended in accordance with Section 1.08 of this Article.

Upon the termination of a Person's membership for any reason, the Board of Directors, as soon as practicable after such termination is made known to it, shall, by appropriate resolution, formally acknowledge such termination, effective as of the date on which the Cooperative ceased furnishing Electric Service to such Person.

**SECTION 1.11. Expulsion.** A Member may be expelled from membership pursuant to such reasonable terms and conditions as may from time to time be adopted by the Board of Directors.

**SECTION 1.12. Effect of Withdrawal, Termination and Expulsion.** Upon the withdrawal, termination or expulsion of a Member, the membership of such Person shall terminate. Termination of a membership shall not release any Member or the Member's heirs, administrators, executors, successors or assigns from any debts due the Cooperative. Upon a Member's termination, the Cooperative, after deducting any amounts owed the Cooperative, shall return any deposit paid by the Member and held by the Cooperative.

## **ARTICLE II – MEETINGS OF MEMBERS**

**SECTION 2.01. Annual Meeting.** The Annual Meeting of the Members shall be held in the months of September or October of each year at such time and place within a county in which Electric Service is provided by the Cooperative, as shall be determined by the Board of Directors and designated in the notice of the meeting ("Annual Meeting"). The Annual Meeting shall be for the purpose of electing directors, receiving reports covering the previous fiscal year and transacting such other business as may properly come before the meeting. Nothing in these Bylaws shall be construed, however, to authorize the consideration of any matter which, under these Bylaws, the Articles of Incorporation or any provision of law, are required to be, but have not been stated in the notice of the Annual Meeting.

**SECTION 2.02. Special Meeting.** Special meetings, or a special meeting in lieu of the Annual Meeting of Members, may be requested by a vote of the majority of the Board of Directors or upon the written request of a majority of the Board of Directors currently in office or not less than ten percent (10%) of the Members of the Cooperative ("Special Member Meeting"). The written request of Members shall:

- (a) be contained on one or more pages, each of which must describe the purpose of the Special Member Meeting;
- (b) contain the Member's dated signature and adjacent thereto, the signing Member's printed name and address; and

- (c) be submitted to the Secretary of the Cooperative within sixty (60) days following the first Member signature.

Upon submission of a complete and valid request to the Secretary of the Cooperative, it shall be the duty of the Secretary to promptly cause notice of such meeting to be given to the Members. A Special Member Meeting may be held at such place within a county in which Electric Service is provided by the Cooperative on such date not sooner than fifteen (15) days after the submission of a complete and valid request is received by the Secretary of the Cooperative, and beginning at such hour as determined by the Board of Directors and specified in the notice of the Special Member Meeting. If, within thirty (30) days of receiving a complete and valid written request from Members, the Cooperative fails to properly notify the Members of the Special Member Meeting, then a Member signing a written request may reasonably set the time, place and location of the Special Member Meeting and properly notify Members of same.

**SECTION 2.03. Notice of Members' Meetings.** The Cooperative shall provide written notice to each Member of record then entitled to vote at an Annual Meeting, stating the place, day and hour of the meeting (and in case of a properly requested Special Member Meeting, the purpose or purposes for which the meeting is called). Such notice shall be provided not less than five (5) days, if notice is provided by first class mail (ten (10) days if notice is provided by a means other than first class mail) nor more than ninety (90) days before the date of the meeting. In making such computation, the date of the meeting shall not be counted. Such notice may be provided by any means provided in Section 7.11 of these Bylaws. The failure of any Member to receive notice of an Annual or Special Member Meeting (collectively "Member Meeting"), which has been given by means described in Section 7.11, shall not invalidate any action which may be taken by the Members at any such meeting.

**SECTION 2.04. Waiver of Notice.** Notice of any Member Meeting need not be given to any Member who signs a waiver of notice either before or after the Member Meeting. A Member, Spouse Representative or Entity Representative who submits a ballot, or attends a Member Meeting, shall be deemed to have waived notice and all objections to the form and substance of the ballots, to the place of the meeting, the time of the meeting or the manner in which it has been called or convened, except when such Member, Spouse Representative or Entity Representative attends a Member Meeting solely for the purpose of stating at the beginning of the meeting any such objection or objections to the transaction of business or submits any such objections in writing to the Secretary prior to the announcement of the outcome of any vote that is disputed on such grounds.

**SECTION 2.05. Record Date.**

- (a) For the purpose of determining Members entitled to notice of or to vote at a Member Meeting or any adjournment thereof, or in order to make a determination of Members for any other proper purpose, the Board of Directors may provide that the membership books shall be closed for a stated period not to exceed ninety (90) days;

- (b) In lieu of closing the membership books, the Board of Directors may fix, in advance, a date as the record date for any such determination of Members, such date in any case to be not more than ninety (90) days prior to the date on which the particular action requiring such determination of Members is to be taken;
- (c) If the membership books are not closed and no record date is fixed for the determination of Members entitled to notice of or to vote at a Member Meeting, the date on which notice of the meeting is mailed to all Members shall be the record date for such determination of membership or, if such notice is not mailed to all Members on the same date, the date five (5) days prior to the meeting shall be the record date for such determination of membership;
- (d) When the determination of Members entitled to vote at any Member Meeting has been made as provided in this Section 2.05, such determination shall apply to any adjournment thereof unless the Board of Directors fixes a new record date for the adjourned meeting.

**SECTION 2.06. Quorum.** Representation of at least two hundred (200) Members of the Cooperative shall constitute a quorum for conducting any item of official business by Members. Members represented in connection with a given item of official business, in any manner authorized in Sections 2.07 or 3.08, shall be counted only toward the quorum with respect to such item of official business.

**SECTION 2.07. Representation of Members.**

- (a) An officer of an Entity, an individual having general authority to act for an Entity with respect to obtaining, monitoring and paying for Electric Service from the Cooperative, or other duly-authorized individual shall, unless determined otherwise by the Credentials and Election Committee, be deemed authorized to vote the membership of such Entity Member (“Entity Representative”).
- (b) Unless it is made to appear otherwise by writing executed by the Member and filed with the Secretary or the Secretary’s designated representative prior to a Member Meeting, a spouse of a Member who purports to act on behalf of such Member or otherwise indicated to the Secretary or the Secretary’s designated representative that he or she is authorized to act as a representative of such Member, shall, unless determined otherwise by the Credentials and Election Committee, be deemed authorized to register at a Member Meeting and act for the Member he or she purports to represent (“Spouse Representative”). If a Member purported to be represented by his or her Spouse Representative disputes such representation to the Secretary, or the Secretary’s designated representative, only the Member shall be entitled to act and vote. Except as is expressly provided for in this Section 2.07, no other Person shall have the authority to represent, act or vote for any Member except an Entity Representative as provided in this Section 2.07(a).

SECTION 2.08. **Registration.** In order to participate at a Member Meeting, a Member, a Spouse Representative or an Entity Representative on behalf of the Member must register with one or more persons designated by the Board (“Member Meeting Registrar”). Unless determined otherwise by the Credentials and Election Committee, upon registration, such Member shall be deemed present and authorized to participate in the Member Meeting (“Registered Member”).

SECTION 2.09. **Voting.** Each Registered Member who is not in a status of suspension shall be entitled to only one vote upon each matter submitted to a vote at a Member Meeting. Each Member, Spouse Representative or Entity Representative may, on appropriate occasion, vote by mail-in ballot as provided in Section 3.08. Whenever a quorum is represented, the affirmative vote of a majority of the Members shall be the act of the membership except as is otherwise provided by law or by the Cooperative’s Articles of Incorporation or these Bylaws.

SECTION 2.10. **Order of Business.** The Board of Directors shall determine the agenda and order of business for the Member Meetings.

SECTION 2.11. **Credentials and Election Committee.** The Board of Directors, may, before or during any Member Meeting, appoint a Credentials and Election Committee (“Credentials and Election Committee”). The Credentials and Election Committee shall consist of an uneven number of Members not less than five (5) nor more than fifteen (15). Credentials and Election Committee members shall not be members of the Nominating Committee, Cooperative employees, directors or candidates for director or a Close Relative of any of the foregoing persons. In appointing the Credentials and Election Committee, the Board may consider the equitable representation of the several areas served by the Cooperative. The Board shall appoint a chairman and a secretary.

It shall be the responsibility of the Credentials and Election Committee:

- (a) to establish or approve and oversee the manner of conducting Member registration and voting;
- (b) to rule upon all questions that may arise relating to Member registration, voting and the election of directors, including, without limitation:
  - (1) ruling upon any disputes or questions concerning the validity of petitions of nomination and the eligibility of candidates for election to the Board of Directors;
  - (2) supervising the preparation and mailing of ballots, when appropriate;
  - (3) resolving any dispute concerning the eligibility of any individual who presents themselves at a Member Meeting to register as a Registered Member;
  - (4) resolving any dispute concerning the eligibility of any individual to vote on behalf of a spouse who is a Member entitled to vote;

- (5) resolving any dispute concerning the eligibility of any individual to vote on behalf of an entity which is a Member entitled to vote;
  - (6) ruling upon all other questions that may arise with respect to the registration and voting of Members;
  - (7) ruling on the effect of any ballots or votes irregularly marked or cast;
  - (8) tabulating all ballots cast; and
  - (9) recounting ballots for Director, with each candidate or their designated representative present during the recount, in any Director election where the difference is one percent (1%) or less;
- (c) upon the request of the Board of Directors, to rule upon the eligibility of any sitting Director or candidate for Director; and
- (d) to serve as arbitrators for any protest or objection relative to whether an individual is qualified to run for Director, the registration of Persons as Registered Members, the authority of persons to vote, and any ruling or vote count made. Such protest must be in writing, signed by one or more Members (“Protestor(s)”), and filed with the Chairman or Secretary of the Credentials and Election Committee or their designee(s) not later than 5:00 p.m., on the third (3rd) business day following final determination of the outcome of any vote of the Members.

The Credentials and Election Committee shall be paid such per diem as the Board may determine and for mileage expenses for transportation to meetings of the Credentials and Election Committee in an amount equal to the deductible amount for mileage authorized from time to time by the Internal Revenue Service and shall have available to it the advice of counsel and other reasonable support services provided by the Cooperative.

**SECTION 2.12. Rules of Order.** Parliamentary procedure at any Member Meeting shall be governed by the most recent edition of Robert’s Rules of Order, except to the extent such procedure is otherwise controlled by law, the Articles of Incorporation, these Bylaws or such other reasonable procedures as prescribed by the Credentials and Election Committee. Any failure to conduct the meeting in compliance therewith, however, shall not render invalid any action taken at the meeting unless objection citing such failure is made at the time such action is taken.

### **ARTICLE III – DIRECTORS**

**SECTION 3.01. General Powers of Board of Directors.** The business and affairs of the Cooperative shall be managed by a board of nine (9) directors. **SECTION 6.01. Non-Profit Operations.** The Cooperative shall at all times be operated on a cooperative non-profit basis for the mutual benefit of its patrons.

**SECTION 6.02. Patronage Capital in Connection with Furnishing Electric Service-Receipt.** In the furnishing of Electric Service, the Cooperative's operation shall be so conducted that all patrons will, through their patronage, furnish capital for the Cooperative. In order to induce patronage and to assure that the Cooperative will operate on a non-profit basis, the Cooperative is obligated to account on a patronage basis to all its patrons for all amounts received and receivable from the furnishing of Electric Service in excess of operating costs and expenses properly chargeable against the furnishing of Electric Service. All such amounts in excess of operating cost and expenses at the moment of receipt by the Cooperative are received with the understanding that they are furnished by the patrons as capital. No interest or dividend shall be paid or be payable by the Cooperative on any capital furnished by its patrons.

**SECTION 6.03. Patronage Capital – Accounts.** The Cooperative is obligated to pay by credits to a capital account for each patron all such amounts in excess of operating costs and expense. The books and records of the Cooperative shall be set up and kept in such a manner that at the end of each fiscal year the amount of capital, if any, so furnished by each patron is clearly reflected and credited in an appropriate record to the capital account of each patron. The Cooperative shall, within a reasonable time after the close of the fiscal year, notify each patron by notification to all patrons of the aggregate amount of such excess with an explanation of how each

patron may compute and determine for himself the specific amount of capital so credited to him. Notwithstanding any other provision of these Bylaws to the contrary, the Board of Directors, at its discretion, may allocate capital credits for an individual Member or class of Members based upon rates and costs of service for that Member or that class.

**SECTION 6.04. Patronage Capital - Status as Such – Security Interest.** All such amounts credited to the capital account of any patron shall have the same status as though they had been paid to the patron in cash in pursuance of a legal obligation to do so and the patron had then furnished the Cooperative corresponding amounts of capital and shall be held subject to the security interest provided in Section 6.11 below.

**SECTION 6.05. Other Patronage Capital – Allocation.** All other amounts received by the Cooperative from its operation in excess of costs and expenses shall, insofar as permitted by law, be:

- (a) used to offset any losses incurred during the current or any prior fiscal year; and
- (b) to the extent not needed for that purpose, allocated to its patrons on a patronage basis and any amount so allocated shall be included as a part of the capital credited to the accounts of the patrons as herein provided or if determined by the Board of Directors, designated as permanent, non-allocated capital.

**SECTION 6.06. Patronage Capital From Other Organizations.** Notwithstanding any other provision of these Bylaws, the Board shall have the power to adopt rules providing for the separate accounting for and procedure for the retirement of such other amounts of capital credited to the accounts of patrons, which correspond to capital credited to the account of the Cooperative by other organizations in which the Cooperative is a member. Such rules shall, among other things:

- (a) establish a method for determining portions of such capital credited to each of the Cooperative's patrons for each applicable fiscal year;
- (b) provide for the separate identification thereof for each patron on the Cooperative books;
- (c) provide for appropriate notification thereof to patrons; and
- (d) preclude a general or special retirement thereof prior to actual receipt of such capital by the Cooperative.

**SECTION 6.07. Patronage Capital – Dissolution.** In the event of dissolution or liquidation of the Cooperative, to the extent that sufficient assets are available:

- (a) all debts and liabilities of the Cooperative shall be paid; then

- (b) all capital furnished through patronage shall be retired without priority on a pro rata basis; then
- (c) any remaining property and assets of the Cooperative shall be distributed, to the extent possible, among the Members and former Members in the proportion which the aggregate patronage of each bears to the total patronage of all Members during the period of the Cooperative's existence.

**SECTION 6.08. Patronage Capital – Distribution Prior to Dissolution.** If, at any time prior to dissolution or liquidation, the Board of Directors shall determine that the financial condition of the Cooperative will not be impaired thereby, the capital then credited to patrons' accounts may be retired in full or in part. After the 31st day of December, 1976, and thereafter, the Board of Directors shall determine the method, amount, basis, priority and order of retirement, if any, for all amounts heretofore and hereafter furnished as capital.

**SECTION 6.09. Patronage Capital – Distribution to Estates or Representatives of Deceased Members.** Notwithstanding any other provision of these Bylaws and PROVIDED that the financial condition of the Cooperative will not be impaired thereby, the Board of Directors, at its discretion, shall have the power, upon the death of any natural patron, if the legal representatives of his estate shall request in writing that the capital credited to any such patron be retired prior to the time such capital would otherwise be retired under the provisions of these Bylaws, to retire capital credited to any such patron immediately upon such terms and conditions as the Board of Directors, acting under policies of general application, and the legal representatives of such patron's estate shall agree upon.

**SECTION 6.10. Patronage Capital – Assignment.** Capital credited to the account of each patron shall be assignable only on the books of the Cooperative pursuant to written instruction from the assignor and only to successors in interest or successors in occupancy in all or part of such patron's premises served by the Cooperative unless the Board of Directors acting under policies of general application shall determine otherwise.

**SECTION 6.11. Cooperative's Security Interest and Right to Set-Off.** Notwithstanding any other provision of these Bylaws, all amounts credited to the capital account of any Member pursuant to this Article and any other sums held by Cooperative which are payable or may become payable to such Member, and all payments or other distributions thereof, shall be held by Cooperative subject to a security interest in favor of Cooperative to secure the payment of all debts of such Member to the Cooperative, whether for Electric Service or otherwise, and may be set off against such debts at the time such debts or distributions would become payable to such Member by the Cooperative.

**SECTION 6.12. Patronage Capital Contract with Member.** The patrons of the Cooperative, by dealing with the Cooperative, acknowledge that the terms and provisions of the Articles of Incorporation and Bylaws shall constitute and be a contract between the Cooperative and each patron, and both the Cooperative and the patrons are bound by such contract as fully as though each patron had individually signed a separate instrument containing such terms and provisions.

## ARTICLE VII – OPERATIONS AND MISCELLANEOUS

SECTION 7.01. **Bonds of Officers and Employees.** The Board of Directors shall require the Treasurer, and any other officer of the Cooperative charged with the responsibility for the custody of any of its property, to be bonded in such sum and with such surety as the Board of Directors shall determine. The Board of Directors may, at its discretion, require any other officers, agents or employees of the Cooperative to be bonded in such amount and with such surety as the Board shall determine. All premiums and expenses associated with the acquisition and maintenance of the bonds for such officers, agents or employees shall be paid by the Cooperative.

**SECTION 7.10. Circulation of Newsletter.** For the purpose of disseminating information devoted to the science of agriculture, to agricultural cooperation and to productive means of exploiting electric energy, the Board of Directors shall be authorized to periodically circulate a newsletter to the Members. The annual subscription therefor in the amount of One Dollar (\$1.00) or more shall be deducted from any funds accruing in favor of such Members, so as to reduce such funds in the same manner as with any other expense of the Cooperative.

**SECTION 7.11. Notice.** In these Bylaws:

- (a) Notice Type. Unless otherwise provided in these Bylaws, notice may be:
  - (1) oral or written; and
  - (2) communicated:

**SECTION 7.14. Partial Invalidity.** When reasonably possible, every Bylaw article, section, sub-section, paragraph, sentence, clause or provision (collectively "Bylaw Provision") must be interpreted in a manner by which the Bylaw Provision is valid. The invalidation of any Bylaw Provision by any Entity possessing proper jurisdiction and authority, which does not alter the fundamental rights, duties, and relationship between the Cooperative and Members, does not invalidate the remaining Bylaw Provisions.

**SECTION 7.15. Cumulative Remedies.** The rights and remedies provided in these Bylaws are cumulative. The Cooperative or any Member asserting any right or remedy provided in these Bylaws does not preclude the Cooperative or Member from asserting other rights or remedies provided in these Bylaws.

- (b) The rights granted to the Cooperative by these Bylaws inure to the benefit of the Cooperative's successors and assigns.

The binding nature of the duties, obligations and liabilities imposed by these Bylaws upon the successors and assigns of the Cooperative and any Member does not relieve the Cooperative or Member of the duties, obligations and liabilities imposed by these Bylaws upon the Cooperative or Member.

SECTION 7.18. **Waiver.** The failure of the Cooperative or any Member to assert any right or remedy provided in these Bylaws does not waive the right or remedy provided in these Bylaws.

## **ARTICLE VIII – INDEMNIFICATION AND INSURANCE**

SECTION 8.01. **Indemnification.** The Cooperative shall indemnify each person who is or was a director, officer, employee or agent of the Cooperative (including the heirs, executors, administrators or estate of such person) or is or was serving at the request of the Cooperative as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise to the full extent permitted under §§ 46-3-306(b) and (c) of the Georgia Electric Membership Corporation Act or any successor provisions of the laws of the State of Georgia. If any such indemnification is requested pursuant to §§ 46-3-306(b) or (c) or said Act or laws, the Board of Directors shall cause a determination to be made (unless a court has ordered the indemnification) in one of the manners prescribed in § 46-3-306(e) of said Act or laws as to whether indemnification of the party requesting indemnification is proper in the circumstances because he has met the applicable standard of conduct set forth in §§ 46-3-306(b) or (c) of said Act or laws. Upon any such determination that such indemnification is proper, the Cooperative shall make indemnification payments of liability, cost, payment or expense asserted against him or paid or incurred by him in his capacity as such a director, officer, employee or agent to the maximum extent permitted by said sections of said Act or laws. The indemnification obligation of the Cooperative set forth herein shall not be deemed exclusive of any other rights, in respect of indemnification or otherwise, to which any party may be entitled under any other Bylaw provision or resolution approved pursuant to §46-3-306(e) of said Act or laws.

SECTION 8.02. **Insurance.** The Cooperative may purchase and maintain insurance at its expense to protect itself and any director, officer, employee or agent of the Cooperative (including the heirs, executors, administrators or estate of any such person) against any liability, cost, payment or expense described in Section 8.01 of this Article VIII, whether or not the Cooperative would have the power to indemnify such person against such liability.

The three (3) such appraisers shall be designated by a Superior Court Resident Judge for the Coweta Judicial Circuit if one, if not, the Senior Judge thereof.
  - (2) If the Board of Directors, after receiving such appraisals (and other terms and conditions which are recommended, if any), determines that the proposal should be submitted for consideration by the Members, it shall first give every Georgia electric membership corporation nearby or adjacent to the Cooperative (which has not made such an offer for such sale, lease or lease-sale) an opportunity to submit competing proposals. Such opportunity shall be in the form of a written notice to such electric membership corporations, which notice shall attach a copy of the proposal that the Cooperative has already received and a copy of the reports of the three (3) appraisers. Such electric membership corporations shall be given not less than thirty (30) days during which to submit competing proposals, and the actual minimum period within which proposals are to be submitted shall be stated in the written notice given to them.

- (3) If the Board then determines that favorable consideration should be given to the initial proposal or any subsequent proposal which has been submitted to it, it shall so notify the Members, expressing in detail each of any such proposals and shall call a Special Meeting of the Members for consideration thereof, which meeting shall not be held sooner than ninety (90) days after the giving of such notice to the Members; PROVIDED, consideration thereof by the Members may be given at the next Annual Meeting if the Board so determines and if such Annual Meeting is not held sooner than ninety (90) days after the giving of such notice.
- (4) Any fifty (50) or more Members, by so petitioning the Board not less than thirty (30) days before the date of such Special or Annual Meeting, may cause the Cooperative, with the cost to be borne by the Cooperative, to mail to all Members any opposing or alternative positions which they may have to the recommendation that the Board has made.

The provisions of this subsection (b) shall not apply to a sale or lease-sale to one or more other electric membership corporations if the actual legal or substantive effect thereof is to merge or consolidate with such other one or more electric membership corporations.

**SECTION 9.03.
